CLASS ACTION

**DECLARATION OF MICHAEL ASCHENBRENER IN SUPPORT OF PLAINTIFF'S
MOTION FOR ATTORNEYS' FEES, COSTS, EXPENSES, AND SERVICE AWARDS**

I, Michael Aschenbrenner, hereby aver, pursuant to 735 ILCS 5/1-109, that I am fully competent to make this Declaration, that I have personal knowledge of all matters set forth herein unless otherwise indicated, and that I would testify to all such matters if called as a witness in this matter.

1. I am a Member at KamberLaw LLC, which is acting as local counsel for Plaintiff and the Class in this matter. I make this declaration in support of Plaintiff's Motion for Attorneys' Fees, Costs, Expenses, and Service Awards, filed herewith.

2. I am an attorney admitted to practice before the Supreme Court of the State of Illinois.

3. To avoid redundancy, I hereby incorporate the Declaration of Yeremey Krivoshey In Support of Plaintiff's Unopposed Motion for Attorneys' Fees, Costs, Expenses, and Service Awards as if fully stated herein.

4. My firm undertook this litigation on a contingency basis, despite knowing the

litigation risks and the prospect of no recovery. Through November 9, 2021, my firm expended 47.2 hours in this case. My firm's lodestar in this case, based on current billing rates, is \$40,555.00. Below is a summary of the time my firm spent prosecuting this action to date, as well as my firm's current hourly rates.

ATTORNEY	YEARS OF EXPERIENCE	HOURS	HOURLY RATE	TOTAL AT LOCAL HOURLY RATE
Scott A. Kamber	29	9.5	\$1025	\$9,737.50
Michael Aschenbrener	14	16	\$875	\$14,000.00
Adam C. York	14	21.7	\$775	\$16,817.50
TOTALS:		47.2		\$40,555.00

5. As set forth above, my firm has devoted (and continues to devote) a significant amount of attorney time and other resources investigating, prosecuting and resolving this litigation and, as a result, has been forced to forego other new matters that we otherwise would have taken on.

6. Additionally, to date my firm has expended \$617.85 in out-of-pocket costs as filing fees for the Complaint and Jury Demand in this litigation. These costs are reflected in my firm's records and were necessary to effectively prosecute this litigation. Cost and expense items are billed separately, and such charges not duplicated in my firm's billing rates. My firm undertook these expenses without any guarantee of reimbursement.

I declare under penalty of the perjury that the foregoing is true and correct.

Executed this 10th day of November 2021 at Denver, Colorado.
